

Bridges *to Hope*

Give hope today!

Happy New Year!

As we begin 2026, we are filled with deep gratitude for our incredible community.

Because of you, Bonner Homeless Transitions raised over \$111,000 during the Avenues for Hope Housing Challenge, far surpassing our \$75,000 goal.

Your generosity helped us respond to a growing need, as we served 57% more people in 2025 than in 2024, including a significant rise in families with children, and we only expect those numbers to continue to grow.

This support directly strengthens our ability to provide safe housing and compassionate, ongoing support to families rebuilding their lives after homelessness and domestic violence.

Together, we didn't just exceed a fundraising goal, we expanded what's possible for families seeking safety and stability.

Thank you for standing with us and making this possible.

With heartfelt gratitude and best wishes for a hopeful 2026,

Rebekah, Executive Director

2025 Impact Snapshot

Serving more families than ever

The theme of 2025, the growing evidence of a growing need, underscored why donor partnership mattered more than ever.

With community need rising, Bonner Homeless Transitions expanded proven housing and case management efforts while investing in infrastructure that ensures accountability, impact, and growth.

Because of committed donors and intentional planning, BHT met increasing demand while building a sustainable future centered on dignity, care, and lasting change.

Total Bed Nights

2024: 16,899
2025: 18,385

Bonner Homeless Transitions provided nearly 1,500 more safe nights in 2025 than in 2024, an almost 9% increase in impact year-over-year.

9% Increase

Capacity Rate

2024: 122%
2025: 137%

In 2025, BHT operated at 15 percentage points higher capacity than in 2024, serving significantly more people beyond intended capacity and underscoring the growing need for support in our community.

15% Increase

People Served

2024: 84
2025: 132

From 2024 to 2025, BHT increased total people served by 57%, with especially significant growth in primary participants (+72%), reflecting both rising need and expanded program impact.

57% Increase

Dependents

2024: 39
2025: 61

In just one year, BHT saw a 56% increase in children and other dependents served, highlighting the growing number of young lives impacted by instability in our community.

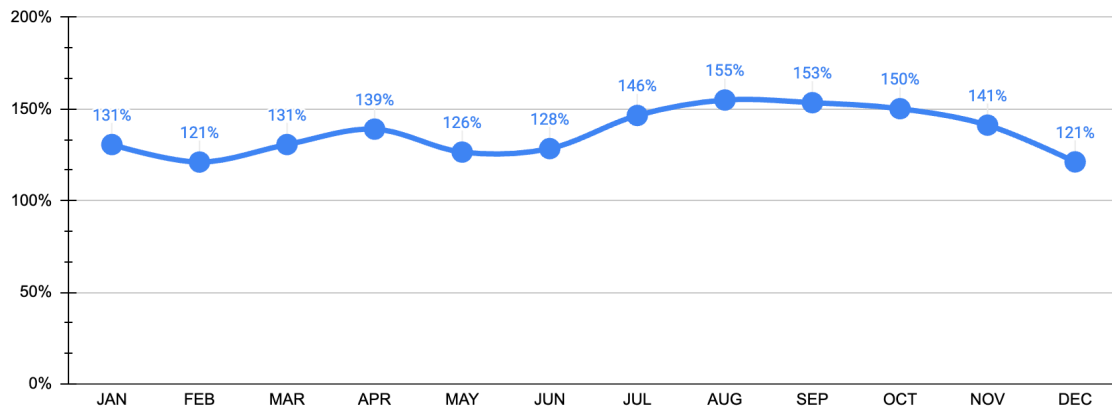

56% Increase

Graduates

2025: 61

More than 65% of participants graduated from BHT's transitional housing program into independent living, an outcome that meets or exceeds benchmarks for comparable programs.

2025 Capacity Rate

I am especially grateful for the incredible generosity and kindness demonstrated when BHT arranged for a car to be donated to me. This act of compassion was an immense relief and a turning point in my journey towards self-sufficiency. The ability to have reliable transportation has made it possible for me to continue progressing to a better life for my family, and I am forever grateful.

The Vision for 2026

As we look ahead to 2026, Bonner Homeless Transitions remains grounded in a simple belief: building hope.

We will continue strengthening what works, providing safe, stable housing with thoughtful case management that helps families move from crisis toward independence. We honor the trust our community places in us by building strong relationships and using resources responsibly.

Our priorities for 2026 include supporting long-term sustainability and intentional growth, addressing deferred maintenance, and improving systems that keep our facilities safe, well-maintained, and supportive. We will also continue strengthening data, communications, and internal systems to support accountability, transparency and informed decision-making.

Above all, we will center dignity, safety, and stability for the families we serve while investing in the people, partnerships, and infrastructure that make lasting impact possible.

Together, we are building more than hope, we are building pathways forward.

Stories that stay with me

We are continually reminded that every family who walks through our doors brings with them both heartbreak and hope. This past year, we welcomed a mother and her teenage child who arrived seeking safety, stability, and a chance to breathe again.

For months, they had been living in fear. The husband and father they loved was struggling deeply with alcohol use, and the home they shared no longer felt safe. With remarkable bravery, this mother chose to protect her child and seek help, an act of strength that set their healing in motion.

From the moment they arrived, their positive attitudes shone through. There were tearful conversations and difficult moments, but also an unwavering determination from this mother to stay strong for her family. She and her teen became cherished members of our community during their stay, participating in support sessions, rebuilding confidence, and reclaiming their sense of peace.

Then, something unexpected happened.

Out of the blue, she received word from her husband. He had reached a turning point and made the decision to enter rehab. He expressed his desire to reclaim his health, his relationships, and the family he had almost lost. So he followed through, doing the hard work, showing up for treatment, and committing to change.

In time, the family was able to reunite with a renewed foundation of safety and stability. They moved back home together, stronger, and hopeful about the future.

Natalie, Case Manager

The need is growing—and families are still knocking on our door

More children, more parents, and more families than ever are relying on Bonner Homeless Transitions for safety and stability and we expect that need to continue to rise.

If this work matters to you, please consider making a gift today. Your support provides safe nights, steady guidance, and a path forward for families who are doing everything they can to rebuild their lives.

Every dollar helps keep a family safe and housed. Every gift says, *you are not alone*.

Donate today and help a family take their next step toward safety, stability and home.

Make an impact
